STUDENT ATHLETE CONTRACT

Students of Horace O'Bryant School (HOB) have the opportunity and privilege to participate in extracurricular sports. This contract demonstrates each student's acceptance of becoming a representative of the school by becoming a member of an athletic team. Should a student athlete fail to abide by these expectations, on school property, including all MCSD properties (such as KWHS football stadium) consequences may be implemented that exceed those in the Student Code of Conduct, including removal from a team. This is your commitment to excelling as a student athlete in academics, sportsmanship and leadership.
